

REMARKS

This paper is subsequent to the Notice of Allowance having a USPTO mailing date of July 7, 2010.

Interview Summary

Applicants thank the Examiner for contacting Applicants' representative, Donna K. Mason, on June 4, 2010. During the interview, the Examiner proposed amending the claims to bring the application into condition for allowance. Applicants' representative provided authorization for the Examiner to amend the claims as proposed.

Amendments

In an Examiner-Initiated Interview conducted on June 4, 2010, Applicants' representative authorized the Examiner to prepare an Examiner's Amendment to amend claims 3 to include the features of claims 4 and 5. However, Applicants discovered minor editorial errors in the Examiner's Amendment. Therefore, Applicants submit the present Amendment including amendments to claim 3, the amendments being necessary to correct the Examiner's errors.

It is believed that these minor editorial amendments do not affect the allowability of the claims. Accordingly, consideration and entry of the amendments is respectively requested.

To the extent necessary, applicant petitions for an extension of time under 37 CFR §1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees and excess claim fees, to Deposit Account No. 50-4888 (referencing case No. 500.42924X00) and please credit any excess fees to such deposit account.

Respectfully submitted,
